

Singular beauty. Multiple expression.

The G6 has just gotten a major mid-year refresh — with hot new exterior and interior features and new technology like available Bluetooth^{®*} wireless technology and USB connectivity — all while retaining G6's three distinct personalities. A powerfully seductive coupe. A sedan with swagger. And a hardtop convertible without compromise. All share beautiful sleek, new design cues, an athletic stance and an instinctive knack for defying convention. Plus, they combine inspired performance with cutting-edge fuel economy. The G6 Sedan offers better available highway fuel economy than Toyota Camry LE, Honda Accord LX and Nissan Altima 2.5S.[†] And the new four-cylinder G6 Coupe's EPA-estimated 33 MPG highway[§] makes it the most fuel efficient.

*Bluetooth is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Pontiac is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. [†]EPA-estimated 33 MPG highway: G6 with available Sport Package 1; Camry/Accord: 31 MPG highway; Nissan Altima: 32 MPG highway. [§]EPA-estimated 33 MPG highway: G6 coupe. Based on 2008 GM Mid-Car segment.
